# POWERSHADE

**Powershade is the ultimate blind for your home.**

A luxurious and affordable motorised system that you can operate at the touch of a button!

Complete with a quiet and smooth operation, Powershade combines style and control.

- Available for Roller, Roman and Mirage Blinds (Venetian & Pleated available early 2019)
- No free hanging cords or chains offering a child safe option giving you peace of mind
- Choose from mains, battery tube or rechargeable battery to suit your home/needs
- Control blinds individually or as a group with a single remote

## Powershade Smart Controller

Powershade Smart Controller allows you to control your motorised blinds from your smartphone device. Available for iOS and Android, the product is also compatible with **Amazon Alexa®** to integrate into your home.

The Powershade Smart Controller is an innovative app compatible with all current Eclipse Powershade products.

- Smart controller connects via WiFi
- Control individual blinds, entire rooms or even your entire house
- Schedule blinds to open or close at designated times, providing added security when away from home
- View all rooms and blinds on your smartphone device
- Control your blinds at home when out and about

NOW COMPATIBLE WITH THE **amazon alexa**

CONTROL YOUR BLINDS FROM YOUR PHONE

## Step by Step

- After purchasing the Smart Controller it will give you a step by step guide on how to download the app & connect through mobile phone/tablet/PC to WiFi
- Add your rooms
- Add blinds in each room, referencing each blind separately
- Create timing schedules for each blind individually, per room or all together
